

# Handwriting Exemplars Form

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Please write a personal note to the "Certified Handwriting Expert" who will be analyzing your handwriting during your private coaching session. Make a note of any special areas of your life you want to discuss, analyze, or gain additional perspective on during this session.

Write your primary purpose for having this handwriting analysis session?

Are you submitting only your own handwriting, or are you also submitting another person's handwriting too? If you are submitting a second person's handwriting (or more), please describe your relationship to the person and list the key questions you have about this person or help us put the people in "context" of your life. For example, are looking for romantic compatibility between two people or are you looking to hire a great employee? Are you looking for ways to improve yourself for financial gain or are you looking to help your children overcome self-sabotaging behaviors? The more details you can provide about the context here, the easier it will be for the Certified Grapho-Therapist to offer valuable insight into the handwriting samples provided.

Continued from page 1...

Feel free to attach additional sheets of handwriting to this form and submit to your Grapho-therapist. There is no limit to the number of pages you submit, there is only a limit to the amount of time the handwriting expert is able to spend with you during your telephone consultation. Our experts can gain more insight into a person's character from cursive handwriting, so submit cursive handwriting when available.
