

7 KEYS to Finding and Living Your Passion

1. Our life stories and the history of the world were written by the same hand.

2. When you want something with all your heart, that's when you are closest to your soul's desire.

3. The closer you get to your dreams the more difficult things become.

4. The people who we feel were born lucky and get to live their passions do so because they weren't just seeking the pot of gold...they get that it's about the journey.

5. Listen to no one but your heart. That is where the secrets are hidden.

6. The secret to feeling worthy is in your internal dialogue.

7. In order to find your authentic self you must first figure out what masks you're wearing.
